

## Executive Office

The Executive Office is the Office of the Governor. The budget provides funding for the Governor and her immediate staff, who assist her in executing her constitutional responsibilities as chief executive of the State of Michigan. The Executive Office also includes funding for the Lieutenant Governor's office. The Lieutenant Governor performs gubernatorial functions in the Governor's absence, presides over the Senate, serves on the State Administrative Board and represents the Governor at selected local, state and national meetings. The Executive Office also contains the Constituent Services Division, which serves as a resource for the citizens of Michigan to communicate their concerns and opinions directly to the Governor. *The Governor's proposed budget for fiscal year 2007 recommends total funding of \$5.4 million, the same amount as in the current year.*
